

Ioana Teodora Duca

Computer Science Student

teodoraduca507@gmail.com • +40 786 361 755 • Bucuresti, Romania

PROFILE

Computer Science student at Politehnica Bucharest with hands-on experience in web development, machine learning, and networking. Co-founder of a digital wellness startup within a competitive innovation program. Multilingual (C1 English, B2 French) with a strong record in leadership, international mobility, and academic achievements.

EXPERIENCE

Co-Founder & Developer — Dopamine Hijack

Innovation Labs Mentoring Program | 2026 – Present

Co-developed a parental control startup tackling digital addiction in children. Parents gain full visibility into their child's online consumption, while distracting platforms become less rewarding, empowering families to build healthier digital habits together.

Machine Learning Researcher — Blended Exchange

UAS Technikum Vienna, Austria | 2025

Worked with real datasets in Python, developed an ML model, and applied AI principles in an international academic setting.

Innovation Programme Participant

University of Trento - School of Innovation | 2025

Developed UI/UX design, AI fundamentals, and business analysis skills. Applied problem-solving in product management contexts within international teams.

PROJECTS

AI Travel Planning Website

FILS Scientific Communication Session | 2024

Built a web platform that uses AI to innovate travel planning. Presented at faculty-level scientific session.

ML Allergy Detection Model

Personal Project | 2024

Developed a machine learning model to help users identify potential allergies to specific products using Python.

C++ vs Assembly Showcase

Programming Project | 2024

Built a program demonstrating performance and syntax differences between C++ and Assembly language.

EDUCATION

B.Sc. Computer Science & Information Technology (French stream)

National University of Science and Technology POLITEHNICA Bucharest | 2024 – Present

High School Diploma — Mathematics & Computer Science (Bilingual English)

“Alexandru Ioan Cuza” National College, Ploiești | 2020 – 2024

TECHNICAL SKILLS

Languages	Python • JavaScript • HTML/CSS • C++ • Java • Node.js
Databases	Oracle Database • SQL
Other	Machine Learning • UI/UX Design • Product Management
Languages	English C1 • French B2 • Romanian (native)

CERTIFICATIONS

2025 Cisco CCNA 1: Introduction to Networks
2025 Cisco CCNA 2
2024 Oracle Database Certification
2024 Cambridge English Certificate (CAE / C1 Advanced)
2024 ECDL – European Computer Driving Licence
2024 WEB 102

LEADERSHIP & ACTIVITIES

Student Council Vice-President

Alexandru Ioan Cuza National College | 2022–2024

Coordinated student initiatives, organized school projects and events, strengthening leadership and communication skills.

Debate Club ARGO

Alexandru Ioan Cuza National College | 2020–2023

National debate competitions; served as judge. Developed critical thinking, structured argumentation, and public speaking.

Model United Nations (MUN)

SavaMUN, IorgaMUN, FDRMUN, Asia Youth MUN | Multiple years

Won 2 awards at Asia Youth International MUN. Twice served as journalist.

Volunteering & Civic Engagement

Various organizations | Ongoing

Led Civic City promoting voting rights for 16-year-olds. Volunteered at FIBA 2022, IUF, Politehnica Volunteers, MasterPeace, Ploiești Youth Foundation.
